4 Hurricane Power			5 Wispinthewillow 0:59.15
			1 Beach Walker 0:59.31

Race Preview: Mrs Stormatrix built on a pleasing Highveld introduction to finish 2nd over track and trip last time behind an unexposed male rival, so she won't have to improve much, if at all to open her account. Wispinthewillow remains open to improvement but has already shown enough to challenge the selection. Jawbreaker will likely fight out the remaining Trifecta and Quartet berths.

Race Preview: Star Blaze justified market support by finishing 2nd on debut over this track and trip. She would have benefitted from that experience and with natural improvement, could go one better. Empress Wu and returning Duchess Di have the form and experience to fight out the finish too. Newcomers National Bliss could also have a say, especially if the market speaks in the favour.

Race Preview: Stablemates Dear Doc and Nightshine have shown promise in 2 introductory sprints and are bred to improve over this extended trip. Both have wide starting berths to negotiate but that shouldn't prevent them from playing roles. Crimson Clover and Ehhfiteenkjoe fit similar profiles and have earning potential too.

Race Preview: Blood Of Eden and Greenside Girl are open to improvement stretching out to this trip for the first time. Shadowline produced a career-best effort in her only outing over this distance, so a repeat of that performance under a 2.5kg claimer could suffice. Older rivals Cool Reggae also have the form and experience to make the presence felt.

Race Preview: Vixeninthevineyard has found one too good in each of her last 3 starts, so she wouldn't be winning out of turn. Younger filly War Talk fits a similar profile (2nd in 2 of her last 3 starts) and could make amends after her disappointing latest outing. Thoonsil and Inclusion remain open to improvement but have already shown enough to be competitive.

Race Preview: Mover And Shaker sprung a 50-1 surprise when winning over track and trip last time, beating Rafa Bay and Magic Tattoo. He is weighted to confirm his superiority and needs only to confirm that last-start improvement to win again. Versatile Plus Four had excuses last time but should have a role to play if bouncing back to earlier form.

Race Preview: Precocious has thrived since relocating to the Highveld and confirmed as much with a winning handicap debut over track and trip earlier this month. She remains open to improvement and, despite a resultant 8-point penalty, looks good value to complete the hat-trick. Fellow 3yo **Gaslight Dancer** is also bidding to complete a 3-timer after consecutive course-and-distance wins, so she is expected to pose a threat. **Mystical Miss** acquitted herself well at this level last time and isn't taken lightly off reduced marks. Hard-knockers **Bosum Buddy** have claims too.

Consistent hard-knocker **Time For Charity** have the means to pose a threat. **Blindfire** and **Queen's Pact** could also make their presence felt if building on improved recent performances.
